This is the ebook Anointing - or Apostasy? The Latter Rain Legacy by Charles Graves. It is not an exhaustive treatment of all of the issues of the Charismatic movements. But it is a good starting place.

There are many theological streams and rivers, that have divided and sub-divided again within the past 20 years. However much of the charismatic movements has ties either to William Branham (a false prophet by standard historic definitions of Christianity), or to the Church growth movement as engineered by McGavran and Peter Wagner. These movements have their roots in the movements inaugurated by those familiar with the Grubb family (UK) and Henrietta Mears who ran much of her material through Los Angeles in the 1950s. This book by Charles Graves is a good starting point for those who are trying to make sense of these movements.

IN a nutshell, it is hard to do this as words, concepts and terms are redefined, and then defined again. The entire movements therefore continue the internal shift from doctrine or the New Testament to experience based theology which asserts self-deification [My experience is superior to what the New Testament says, and I am the final authority, not the historic Word of God]. Many of these groups functionally teach that they are themselves the incarnation of the word of God, and so what each individual decides is alright since their experience is placed on a par to, (equivalent) to the New Testament. Many of the participants in these groups display anger when asked to explain, and hide behind self-righteousness.

Very few are willing to sit down and compare what they believe with either the historic record or the New Testament. They deny being brainwashed, but they behave with many automated reactions when questioned. If they were secure in their theology and experience, what could be better than actually sharing their good news ?

Many of these groups have been accused of elitism, snobbery, impatience, unkindness, carnality, and selfishness. It is hoped that this would be proved wrong. Yet,

this work remains a place to start the learning process. many of the participants do not exhibit an understanding of the history, theology or doctrines of the movement they have decided to embrace. many are openly hostile to thinking or to conversing. Often attempts degenerate into name-calling since they are not capable of reasoning through their own theology or their own experiences. Some may become upset when they read this, which rather demonstrates the point. It is easy to claim to seek truth.

TO actually do the work with intellectual rigor or effort is foreign to most of these very young people, who simply do not want the genuineness of their experience questioned. Learning to love truth and to love the New Testament is a process of the will. Many of these people do not seem to have a love of the Truth, and their understanding of how to find either God or salvation seems close to non-existent. Those who are truly Holy spirit filled demonstrate love and kindness even to those who are unkind. But the reaction is the opposite with many who attend IHOP or these other ministries. Their harsh and unkind replies to those who question them simply for information tends to show how much their connection to God or any Spirit who is Holy (the Holy Spirit) is lacking. Some of these fell away, yet many others never had the faith that they currently are claiming to embrace, hoping that your automated validation of their emotion will serve as a witness to their authenticity.

Yet the genuineness of the experience is an internal phenomenon, which in turn is validated by the Old and New testament. But the experiences and theology which they have chosen to embrace is usually in contradiction to the WOrd of God which has connected and sustained Millions of Christ-followers for 2000 years.

IN other words, rather than validating their experience, the Word of God (OT_NT) demonstrates that these experiences are often from spiritual sources that contradict what Histoirc and Early Christianity truly was and is about.

Knowing the Word of god is a core requirement of Christianity. At best, many of these followers know the theology of their leaders. They have very little understanding of the actual contents of the Old and New Testament. They will, however, be able to tell you all about new terms and words that sound really good, but are found nowhere in the Old or New Testament. Most of them follow their New Faith dedicated to the God of forces and simply label that Christian. but merely the claiming of the title does not make it so.

This Ebook helps to explain a bit about the background of the movement.

Subject: Later Rain, or whose Later REIGN ? 7 short years, or not so short....

A lot of this has to do with the earlier Catholic Charismatic Movement as promoted by Catholic Philosophers (Ralph Martin, etc) in the 1970s. (Ron Sider, Tom Sine, and Tony Campolo were a few of the Old Hands). But Katherine Kuhlman and the Charismatic Conference in Kansas City (back in 1977) is really what kicked this off.

Some have rightly understood much older links to this, tracing them back to Norman Grubb (in his later life) and his Wink of Faith (false self-deification movement), and through the work of his brother who ran British Intelligence for a very long time. This would encompass the work of Henrietta Mears and her 5 proteges (including Bill Bright) and those under the tutelage of William Branham and Ern Baxter with Bob Mumford. These movements coalesced under the supposed separate Streams of the Kansas City Prophets (Mike Bickle, Rick Joyner, John Paul Jackson [interpreter of omens] (daystar), and Bob Jones. These were mentored by Paul Cain. The other stream was led by C. Peter Wagner, and McGavran through Weiner and WYAM, and their work at Fuller, Wheaton and in Missiology. The theology for the movement was laid down by the Lausanne Ctee (known as LCWE) through the Billy Graham Group, who have never found a Catholic Cardinal or above, that they would not embrace. (we won't spend much time here delving into connections between the Club of Rome and the Billy Graham group. That would be through the Rev. Donald Hoke, who is one of the 3 incorporators of the Billy Graham Association...but...that would be telling...)

Catherine Graham of the Washington Post, Lindsey Graham of Carolina, Bob Graham of Florida, or Billy Graham, they are all Grahams, and they are all fostering doctrines which are co-opted. That is why Roman Catholics are turned away from the Biblical Text at Billy Graham crusades and forced instead to reconcile BACK TO the Vatican through their local archdiocese. (do your own research).

The other part of the theological work had to be laid down TEXTUALLY, through versions that would either depart or alter the actual words and content of the New Testament. THAT work was handled through WYCLIFF Bible Translators, and Townsend, who was mentored (and overwatched his whole career by Eugene Nida, who was a Vatican operative. Eugene Nida formed the United Bible Societies back in 1938, as a front for the Anti-Reformation German Bible Society which had been nazified [and never recovered, though it had previously been corrupted through both Kittel (Old Testament) and Nestle (New Testament)]. The German Bible Society (and UBS) remain the ANTI-thesis of what Martin Luther ever taught. The theology for UBS and the German Bible Society comes out of the Textual Institute of Munster which is a Vatican-run Agency. (Again, do your own research).

The works through the Wycliff Bible Society were altered in conformity with Vatican texts, which Eugene Nida made sure was the case. Wycliff versions not only conform to Codex Vaticanus, (historically rejected during the Reformation as a false manuscript__read the detailed work of Professor Hoskier) many wycliff version soon after publications, find subsequent editions have apocryphal books inserted into them. This happens with the funds sent in to wycliff by evangelicals who have no idea that their funds are going to promote Roman catholic altered versions of the BIble all over the world in outlying tribes and areas where others cannot reach. In this manner, evangelicals are litteraly paying for the conversion of these tribes, to the Vatican... so much for Berean studies, study to show yourself approved, and seek discernmnent...Cameron Townsend would be so proud, along with Eugene Nida. Not to worry, since Kim Clement and Patricia King, Mike Bickle and others will continue the work to merge syncretistic Zohar-Talmudic theosophy in with the new Versions, in order to present themselves to the new Christ as a living sacrifice, that is until Bill Hammon and Rebecca Wagner and Rick Joyner unite in their version of Joel's Army. This will build on the work established by Charles Capps, Ken Haggin, and Ken Copeland, all promoters of the Occult through E.W.Kenyon and William Branham, (Lest not forget Christ for the nations, whose founder was often pictured with Branham).

This Army will be an army only those soldiers (men, women, transgenics, and tranhumans will all be sporting a shiny mark on their right hand or forehead as they make war on the redeemed saints, according to them)...

Nida (a follower of Westcott-hort) had already formally entered into a Concordat with the Vatican through the United Bible Societies back in 1966, when the UBS became the front line publishers of the Greek Text used in all protestant seminaries around the world, and it still is today. Nida continued his work through both Wycliff and the United Bible Societies. One of the other 5 board members was Maria Martini, also known as Carlo Maria Martini, the Archbishop of Rome (though he later held a preparatory post in Jerusalem, his last post).

Carlo Martini also was in charge of all of the training of all Bishop of Rome, in Rome, as head of the Pontifical Institute of Rome, at the Vatican.

Well, if evangelicals have Roman Bibles, with Roman alterations, made by Roman theologians, mentored and guided by Roman-trained theologians...then where is the mystery about why and how Evangelicals are being seduced straight back to the Vatican...?

The latest was that Rick Joyner (a Kansas City Prophet under Wimber and Paul Cain) had joined the Roman Catholic Knights of Malta.

Who is in doubt about where this is all going ???

The Vatican term for conversion to Roman Catholicism, (which they incorrectly assert as their brand of salvation) is called Evangelization, in contrast to the standard definition of Biblical Eternal Life between man and God through Jesus Christ as the one and only mediator in accordance with the New Testament, which is called evangelism (when it is shared with others).

The Biblical understanding of Evangelism as the New Testament defines it, which is the transmission of the words of Christ and his message, is NOT at all the

same as conversion to the Vatican Canon law, which the popes now call
Evangelization.

Evangelism is the propagation of the gospel of faith in Jesus Christ alone, through Christ Alone, plus nothing.

Evangelization is conversion to the false doctrines of Vatican Roman Catholicism. It is a system of slavery offered as salvation through good works, incorrectly declared as meritorious.

Those who fail to stand for something will fall for anything, and evangelicals have stood for mostly nothing for many decades now.

Each remains accountable, speaking of millstone around the necks of those who allowed these things under their own churches, I am glad to not be in their shoes...

Keep seeking truth...

Subject: Easy beliefism, itching ears or serious learning

For those who are interested in true spiritual depth and personal spiritual growth, a few other books [[how to be saved](#), [how to be a Christian](#)]. may be of real help to you. [Free in all formats, including PDF and Kindle]

At least Charles Graves helps us to think, and to know some of the background. These facts do seem to matter a great deal. We do need to know these things, and it can and does affect our spiritual walk, and whom we decide to look towards for guidance in spiritual matter. We should each pray to not be spiritually deceived and that God would give us love for His Truth and His actual written Word.

In contrast to the work of Charles Graves, It remains to be said (as he points out) that there are many false teachers today. Those who care about God care about this, because they do not want others to be led astray. Many false teachers exist in USA, but the reports of their activity, false teachings, and unbiblical theology do not receive much publicity. By the time that others find out, many lives are ruined. In order to avoid this, it is recommended that you study the issues, doctrines, and teachings of many ministries, and compare them to traditional historic orthodox genuine Christianity. There is material available to do this study, for those who care.

For the issues of Today's church, a few works about the Modern dangers of some of the excesses found in many the Charismatic or other groups may inform you about the origins, the roots, the theology and the implications of some of these new streams of spirituality, such as:

Sorry if that accurate information bothers some people (usually not those who are seeking truth).

That information is something called 1. Facts 2. Evidence and 3. Documentation. Its not very painful, unless you are not used to dealing with truth, accuracy, facts and spiritual discernment. But God helps those who really ARE trying to seek and find Him, to find Truth. Facts and events are not a surprise to God. And WANTS us to seek truth and not to give in to fear. If we place our faith in teachings that are not accurate, we each need to know that, so that we are not deceived.

There are many resources. here. If you are deceived or led astray, it is only your fault and you are the one to blame. We are each responsible for our own spiritual path, and the information and learning we chose to expose ourselves to, or deny or ignore or postpone. Like everything else, your spiritual connection and walk with God is what You make of it. The Bible is filled with information. [not disclosed or talked about in Churches]. You have to read the New Testament for yourself. [the Gospel of John is a good place to start, and remember to use a good, historical and accurate version. It is not what you “theoretically” want to do, or wish to do, that counts. If you are deceived spiritually, what difference will it make, that you “were going to study” or you were “going to learn”? Will you be... any less deceived, because you were going to [in the future] actually invest the time in yourself to learn ???

Take the time and learn n-o-w, while you can.

Do you remember the words of scripture :

II Timothy 2: 15 Study [STUDY !!!] to show thyself approved unto God, a workman that needeth not to be ashamed, rightly [RIGHTLY] dividing the word of truth.
16 But shun profane and vain babblings: for they will increase unto more ungodliness.

II Timothy 2:19 Nevertheless the foundation of God standeth sure, having this seal, The Lord knoweth them that are his. And, Let every one that nameth the name of Christ depart from iniquity.

20 But in a great house there are not only vessels of gold and of silver, but also of wood and of earth; and some to honour, and some to dishonour.

21 If a man therefore purge himself from these, he shall be a vessel unto honour, sanctified, and meet for the master's use, and prepared unto every good work.

22 Flee also youthful lusts: but follow righteousness, faith, charity, peace, with them that call on the Lord out of a pure heart.

Its what you actually [ACTUALLY !!!] do, what you actually[ACTUALLY !!!] study. Stop waiting for others to help you, and start helping yourself. The day will soon come when none of this may be around, and then all you will have is what you know, in your head, in your own mind.

Pray for yourself that you will wake up from your coma, that you would have a love of God, a love of His true and authentic Word (Bible), a deep desire to study the Word, and that God would show you how to have the spiritual and personal inner strength for these times. Pray that you would not waste your time, but that you would value and do what God wants you to do and value., and that HE would help you find the answers you are looking for.

What people MUST believe about God, in order to find Him and why Faith in God is neccessary -----□ Hebrews 11: 6 But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him.

To restate the obvious:

YOU = “ he that cometh to God “

MUST BELIEVE:

- 1) that he is, [That God exists] , and
- 2) that he is a rewarder of them that diligently [DILIGENTLY !!!] seek him.

Luke 21: 8

8 And he said, Take heed that ye be not deceived: for many shall come in my name, saying, I am Christ; and the time draweth near: go ye not therefore after them.

II Thess 2

10 And with all deceivableness of unrighteousness ... because they received not the love of the truth, that they might be saved.

(what did they receive not ? This means that there is something that certain ones chose not to receive. What is that ??)

Example: what they often don't talk about in church:

Titus 2: 1_

2:1 But speak thou the things which become sound doctrine:

2 That the aged men be sober, grave, temperate, sound in faith, in charity, in patience.

3 The aged women likewise, that they be in behaviour as becometh holiness, not false accusers, not given to much wine, teachers of good things;

4 That they may teach the young women to be sober, to love their husbands, to love their children,

5 To be discreet, chaste, keepers at home, good, obedient to their own husbands, that the word of God be not blasphemed.

6 Young men likewise exhort to be sober minded.

7 In all things showing thyself a pattern of good works: in doctrine showing uncorruptness, gravity, sincerity,

8 Sound speech, that cannot be condemned; that he that is of the contrary part may be ashamed, having no evil thing to say of you.

9 Exhort servants to be obedient unto their own masters, and to please them well in all things; not answering again;

10 Not purloining, but showing all good fidelity; that they may adorn the doctrine of God our Saviour in all things.

11 For the grace of God that bringeth salvation hath appeared to all men,

12 Teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly, in this present world;

13 Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;

II Timothy 2:15 Study – [STUDY !!!!] - to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

16 But shun profane and vain babblings: for they will increase unto more ungodliness.

II Timothy 1: 7 For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.

8 Be not thou therefore ashamed of the testimony of our Lord, nor of me his prisoner: but be thou partaker of the afflictions of the gospel according to the power of God;

9 Who hath saved us, and called us with an holy calling, not according to our works, but according to his own purpose and grace, which was given us in Christ Jesus before the world began,

10 But is now made manifest by the appearing of our Saviour Jesus Christ, who hath abolished death, and hath brought life and immortality to light through the gospel:

11 Whereunto I am appointed a preacher, and an apostle, and a teacher of the Gentiles.

12 For the which cause I also suffer these things: nevertheless I am not ashamed: for I know whom I have believed, and am persuaded that he is able to keep that which I have committed unto him against that day.

13 Hold fast the form of sound words, which thou hast heard of me, in faith and love which is in Christ Jesus.

INTERNATIONAL HOUSE OF PRAIRIE - MIKE BICKLE	ENCOURAGING, DARING, REINFORCING, AND INSPIRING WORDS FROM IHPN (MIKE BICKLE'S) Blueprint Library		
SECTION 1: THE Blueprint Prophecy and the Black Horse			
1. THE BLUEPRINT PROPHECY - MARCH 18, 1998			
A. In March of 1998, I received what I consider to be my most comprehensive prophetic dream. It sets the stage for the Blueprint Prophecy.			
B. On Friday, March 13, 1998 (my birthday), The Lord spoke to me audibly saying that "We are going to give you a blueprint for the last days." The Lord confirmed that it was very powerful and meaningful.			
C. The following Sunday, March 15, I completed my first blueprint in a series of 12 blueprints. This blueprint is titled "The Last Days Blueprint".			
D. The blueprint, which I call "A blueprint blueprint", is based on a composite model that uses three stages. The first stage is the "Setup Stage". The second stage is the "Revelation Stage". The third stage is the "Final Stage".			
E. The blueprint also includes a section on "Prophecy Tools" and "Prophecy Techniques".			
F. In this blueprint, the Lord explained that the Rapture, Ascension, and Second Coming would all occur at the same time. He also explained that the Rapture would occur in the air, above the clouds, in the upper atmosphere, in the air just before the Rapture. He stated that Christ, another thought I received, would descend from the clouds. These three ideas that were presented are now reality.			
G. On Saturday, March 14, 1998, I received a second blueprint. This blueprint was even more comprehensive than the first one. It was titled "The Blueprint Prophecy - Version One".			
H. On Sunday, March 15, 1998, I received a third blueprint. This blueprint was titled "The Blueprint Prophecy - Version Two".			
I. The Blueprint Prophecy is a prophetic model used in a systematic approach to understanding the last days. The Blueprint Prophecy is a blueprint for the last days. Using this blueprint, one can see the "Blueprint setup stage and great light".			
J. The Blueprint Prophecy is a blueprint for the last days. Using this blueprint, one can see the "Blueprint setup stage and great light".			
2. 1998-1999 THE Blueprint WORDS IN TALES (SEPTEMBER 1, 1998)			
A. On Sunday, September 1, 1998, I received a blueprint. Again, this was written as a script in English that met me in a prophetic dream scenario. Right away, people may think, "What? Did I receive these messages in English?" Yes, I did. However, I received them in English because they were prophetic dreams. These dreams often provide an explanation or source of the things they speak.			
B. Inspiration was still very understandable due to my prophetic dream scenario. (It was occurring in the Fall and end of the year.) Each word, each sentence, each paragraph, each chapter, each book, and each stage of the blueprint was clearly understood by me. I could understand every word, every sentence, every paragraph, every chapter, every book, every stage, every part of the blueprint.			
C. Inspiration was still very understandable due to my prophetic dream scenario. (It was occurring in the Fall and end of the year.) Each word, each sentence, each paragraph, each chapter, each book, and each stage of the blueprint was clearly understood by me. I could understand every word, every sentence, every paragraph, every chapter, every book, every stage, every part of the blueprint.			
D. Inspiration could only make this blueprint so unique. However, inspiration could not tell every single person who was writing the blueprint. Thus, as they enlightened the entire process of the entire blueprint, they did not enlighten the entire world. However, when a prophet speaks with such clarity, such depth, and such insight, then that message has to spread to many, something like a chain reaction.
